

Undergraduate Summer Science Courses

KGI offers several online upper-level science courses open to all students seeking careers in healthcare and/or the sciences. For most classes, lectures will be delivered asynchronously and are recorded by faculty to be accessible online by students to watch at their convenience. Students are required to join online for a weekly discussion session, review of the week's topics, quizzes, and other learning exercises.

Online Courses

- **Biochemistry | 3.0 units**
Tuesdays from 4-6 p.m., June 15-August 3, 2021

How to Apply

Apply online at kgi.edu/summer

Application Deadline:

Rolling

Application Requirements

An online application form is required that contains questions about your personal and educational background.

Transcripts from all institutions attended are required. Unofficial copies may be used for evaluation purposes. If admitted and you choose to matriculate, official transcripts must be submitted from all college or universities attended. Translated copies must be submitted for international students.

Application Review

We will review applications on a rolling basis. We will strive to notify you about the status of your application as soon as possible.
