

Hello ,

I am excited to announce two upcoming events for incoming students!

The first event is a Virtual Student Town Hall hosted by our Dean of Students, Dean Martinez. Please see her message below:

Dear Admitted KGI Students,

Congratulations on your admission to KGI. I look forward to getting to know each and every one of you. In my role as Dean of Students, I serve as an advocate for all students. It is important for the KGI student voice to be heard as we discuss reopening fall 2020 with a hybrid model. Given the pandemic, we realize that many of you may have questions and concerns. I invite you to join a **Virtual Student Town Hall** open to new and returning students on **Thursday, July 16 from 5:00 – 6:00 pm**. The President, administrators, and a representative from Oasis at KGI Commons will be available to answer any of your questions.

I hope to see you at the Town Hall!
