

Hello ,

I hope you are doing well!

I wanted to share an important video from President Schuster and notify you about a few different events you can participate in.

President Schuster is excited to welcome you all to KGI this Fall. [Click here](#) to watch his second video for incoming students. Missed the first video? [Click here](#) to catch-up!

During the summer, key departments will host webinars for incoming students. Dates and registration information are provided below. I highly encourage you to register even if you are unavailable to attend. Most sessions are recorded and emailed out to registered students.

June 19,2020- Alumni Panel at 12 p.m. PDT, [register here!](#)

June 24, 2020- KGI's Team Master Project at 10 a.m. PDT, [register here!](#)

Finally, we are excited to announce a Summer Virtual Speaker Series! The free events are open to KGI students, alumni, faculty, and staff. Through Zoom, KGI faculty members will interview biotech and healthcare industry leaders to discuss infectious diseases, pandemic response, and COVID-19. The series will be held on Wednesdays from June 17-August 5. To view the schedule and to register, visit kgi.edu/summerseries. The first speaker will be Kiran Mazumdar Shaw, The Executive Chairperson of Biocon Limited and also a KGI trustee.

I look forward to connecting with all of you throughout the summer and seeing you this Fall at KGI!

Best regards,

Anel Farias, M.Ed.
Associate Director of Admissions, Riggs
