

Dear Incoming Student,

Welcome to the KGI community! We are thrilled you have decided to continue your education at KGI and cannot wait to welcome you to campus this fall.

Over the summer, you'll receive a **series of emails** from us that provide further details and FAQs as you plan for fall. You'll hear from Student Affairs, Career Services, Academic Affairs, your Program Director, Admissions, and others. Keep an eye out for these emails as they contain helpful information to prepare you for life at KGI.

You are invited to attend the Oasis KGI Commons Housing Zoom info session on June 4th at 11 a.m. Please register even if you are unable to attend as the info session will be recorded. [Click here](#) to register.

You should have received an email from KGI with your **login credentials** to your student portal, learning management system, and KGI email account. If you did not receive that email or need it resent, please contact the IT department at helpdesk@kgi.edu. Much of the information you receive this summer will direct you to login to the student portal, so you'll want that information.

If you have any questions or need any assistance, please don't hesitate to reach out to us. Have a great summer, and we look forward to seeing you this fall!

Kind regards,
Anel Farias, M.Ed.
