

Learn more about

MCPHS Biopharmaceutical Industry Fellowships

Clinical Development | Commercial Strategy | HEOR | Medical Affairs
Managed Care | Regulatory Affairs | Pharmacovigilance

Interested in learning more about Fellowships? Tune in to a webinar hosted by Rohit Arjun Amarshi. Arjun is a current fellow at Biogen, affiliated with the MCPHS Biopharmaceutical Fellowship program. The MCPHS Fellowship Network spans across 9 companies with over 85 fellows. Arjun will be going over the different functional areas, the application process, and tips to be competitive at Midyear.

Rohit Arjun Amarshi, PharmD, RPh

Global Medical Affairs
Post-Doctoral Fellow
